Linda:

Pursuant to our conversation earlier today and pursuant to Section II.E.10 of the 1982 MOA between West Virginia and EPA and 40 CFR § 123.44, CONSOL of Kentucky, Inc. ("CONSOL") hereby requests a public hearing on the above referenced NPDES permit. on behalf of CONSOL, let me express our appreciation for the continuing efforts of EPA and WVDEP to work with us to develop a permit that is acceptable to all parties. CONSOL reserves the right to withdraw its request for a hearing at any time.

I appreciate your offer of assistance in forwarding our request to the appropriate person(s) within EPA.
